Special Shipping Instructions (Overnight Air, Freight Collect, Preferred Carrier, Etc.)

TigerTek provides quality packaging and protection for our outbound shipments. Once a package or shipment leaves our facility we cannot be held liable for the handling or mishandling by the carrier. We urge our customers concerned about sensitive repairs to facilitate return shipments on their accounts in case of potential damaged shipment claims. We also strongly recommended that repairs over 50 lbs. be shipped via freight to reduce risk of damage during transport. TigerTek also provides Free Freight inside our fleet area.
